Description

The company appears on the market in 1991 in the city of Trofa, in Largo Serra, in the parish of Muro, which began by selling electrical equipment to the public. With a growing range of customers, and the need to invest in new services the company extends its activity to the Assembly, Electrification, Maintenance, Projects and Studies Lighting, and it is formally on 22 November 1999. ElectrumTrofa, Ltd. Thus its start to have a significant domain in shops, working directly with major brands in nacional and international market.
