Description

The JPSCORKGROUP has been engaged in cork since 1924. Our businesses have been structured into business areas for effective management of the cork business. The central business area of the group is Industry, which produces cork articles. It is composed of Jorge Pinto de Sá, Lda. and SEDACOR - Sociedade Exportadora de Artigos de Cortiça, Lda., operating from several factories located in Portugal. A new area of growing importance groups partner companies and subsidiaries abroad, which finish, market and Distribute cork products, leveraging the International business. The area Investments and Holdings, includes the group's strategic and technological partnerships. The Real Estate sector emerges as an extension of the group's interests resulting from its main business.
