Bilateral Meetings

- 19-11-2015 (12:00 a.m. to 7 p.m.)

Description

MAD_Architecture & Engineering is a multi-disciplinary team with professional experience for more than 20 years in several areas of the building process. We are a specialized office in consulting and integrating all the stages of the process. We develop the architecture project and all specialties required for licensing your project and building management, with a global intervention strategy. We are experts in the areas of rehabilitation, re-qualification and restoration.
