- 19-11-2015 (12:00 a.m. to 7 p.m.)

Description

At present, around 64 companies have signed up to the Ironmongery and Hardware Association of Spanish Manufacturers - ARVEFER -. Today, these companies invoice more than 600million euros, with the majority of its sales being made through the hardware and bricolage dealer distribution channel. Our primary aims are to support, protect and promote our companies in the international market. With this objective, ARVEFER draw up an annual Plan of Promotion in collaboration with the Spanish Institute foreign trade (ICEX) through COFEARFE, and with the Valencian Institute of Exportacion (IVEX). ARVEFER/ASFHER along with ASEFEC, UNION OF CATALUNYA and AFEF make up COFEARFE (National Federation of Hardware Manufacturers), an organization that collaborates with the national administrative authorities, from which platform the ironmongery and hardware articles are consolidating their presence in the world-wide markets.
