Description

Revigrés is renowned in the world of ceramics, specialising in the production of ceramic flooring and tiling. Recognised nationwide and worldwide, Revigrés can be found in various continents with numerous emblematic projects such as airports (Moscow, Poland and Spain), railway stations (Holland, England and Spain), shops, restaurants, shopping centres, offices, hotels and also the stands of exclusive brands (Fnac, TMN, McDonald's, Harrod's, Rolls Royce, Mercedes). The company has recently supplied products especially developed for La Sagrada Familia Basilica in Barcelona.
